Press Release

18th April 2018

Redspear lifting its game

Supply contract signed with Quadrant Energy

Quadrant Energy has signed a 2-year supply agreement with Redspear Safety to provide lifting and rigging equipment to all of its Western Australian Operations. This agreement further consolidates Redspear Safety's position as one of the leading suppliers of lifting and rigging equipment in Western Australia and highlights Quadrant's commitment to supporting and growing local Aboriginal-owned businesses.

From left, Bob Cowan (General Manager, Commercial and Supply Chain - Quadrant Energy), Francois Witbooi (General Manager - Redspear Safety), Barry McGuire (Managing Director - Redspear Safety), Scott Windram (Project and Maintenance Superintendent, Gas Assets - Quadrant Energy), Sean Abel (Contracts and Procurement Team Lead - Quadrant Energy), Gareth Bamford (General Manager, Gas Assets - Quadrant Energy)
